Update...

During this second lock down we will be available for private showroom appointments. The same fantastic service and friendly welcome will be available to you. As always the safety of our staff and customers are our number one priority and so we have the following measures in place...

- Our showroom will be your private experience for the time required
- The showroom door will be locked and we ask you to call on arrival **(01284 335350)**
- Additional cleaning is now in place and the showroom will be cleaned additionally between clients.
- We will ask you to clean your hands on arrival
- Masks are now mandatory in shops so please wear one on arrival
- Social distancing will be in place throughout the appointment
- Please use the NHS track & trace app (signs are up on arrival)

We ask you to limit the amount of people that attend the appointment and if you or anyone you have been in contact with has symptoms of Covid-19 we ask you to rearrange.

We will still have our virtual design appointments available, please contact 01284 335350 to arrange.

Our installations will safely continue but due to global demand some supplies are taking much longer than usual. We are advising all new and existing clients the typical lead times based around your needs but are advising early ordering so not to be disappointed.

Our current working hours are 10am until 3pm Monday to Friday. If you need to see us outside these hours, please still get in touch and we will do our very best to accommodate you.

If you would like to book a design appointment or just a browsing visit, please call 01284 335350 or email barbara@kitchens2bathrooms.co.uk

Thank you for your continued support!
